

MiningWorld Miner Workshop 2007

THE INTERNATIONAL WORKSHOP ON MODERNISATION, DEVELOPMENT MINING & MINERAL INDUSTRIES

MiningWorld Miner Workshop will give you a comprehensive update and insight into the latest movements of the worldwide mining and mineral processing industry brought to you by leaders in the field.

We shall be announcing the workshop in key trade journals and also mailing our own database. However, with your assistance, we hope to identify marketing opportunities which may be unique to this particular field.

1a. What other mining conference on similar subjects have you spoken at or recently attended?

-----

1b. Do you have a copy of the list of participants and/or speakers who you feel should know about your involvement in this event? If so, please could you send us a copy.

-----

2. Are there any particular journals or newsletters in which you feel this exhibition and workshop should be announced or advertised?

-----

3. Are there any associations whose members you feel we should invited?

-----

4. Do you have any lists of appropriate contacts who you think would be interested in receiving a workshop brochure? If so, we will contact you to discuss mailing the contacts from here. All contacts supplied will be treated with the strictest confidentiality.

-----

5. If you are interested in participating in a speaking or presenting presentation as case study at [MiningWorld Miner Workshop 2007](#), please provide your name and e-mail address below:

-----
